

Medellin, July 28, 2023

EPM informs that, acting as agent of the company HIDROITUANGO S.A. E.S.P., the National Environmental Licensing Authority – ANLA –, by Order No. 5345 of July 17, 2023, notified on July 27, 2023, ordered the initiation of environmental sanctioning proceedings against the company HIDROITUANGO in accordance with article 18 of Law 1333 of 2009, for the alleged commission of environmental infringement carried out in the development of the project "Construction and Operation of the Pescadero – Ituango Hydroelectric Project"; as a result of the environmental monitoring and control carried out by the entity to the obligations derived from the Environmental License granted in Resolution No. 0155 of January 30, 2009, and its modifications, contained in the permissive file LAM2233.

Before the order, the administrative actions that may be necessary will be filed, especially those that are deemed necessary for the due defense of the Company.
