

## John Alberto Maya Salazar

CEO

Electrical Engineer from Universidad Pontificia Bolivariana, with a specialization in Management for Engineers from the same university and an emphasis in Marketing and a diploma in Finance. He has 39 years of professional experience, more than 33 of them in the public sector and five in the private sector.

He was the CEO of Ingenierías Aliadas S.A.S., Manager of Empresa de Desarrollo Urbano (EDU), and Manager of Sociedad Hidroeléctrica Ituango. After his arrival at EPM as an intern, he held several positions in the Energy Transmission and Distribution business. Initially, he was Controlling Engineer and continued as Head of the Energy Auditing Department, Head of the Technical Energy Division, and Deputy Manager of Gas. His last ones were the Executive Vice Presidencies of Projects and Engineering and Business Management, which he led between 2016 and 2019.

He has also worked in the area of Corporate Social Responsibility as Deputy Director of Relations with Medellín and Antioquia and as Deputy Director with Territorial Entities, among other positions.
