

Margarita María Salazar Henao

Acting Executive Vice-President of Business Management

Business administrator and marketing specialist with more than 32 years of professional experience in different areas and businesses: sustainability/ESG, human rights, stakeholder engagement, strategic planning, infrastructure planning, environmental planning, marketing, finance, territorial integration and in the solid waste, gas, power transmission and distribution businesses.

She has the ability to comprehensively understand the different variables of business, as well as to incorporate the vision of sustainability from an understanding of the impact business management can have when it connects its strategy and work to sustainable human development. She knows the organization's culture well and connects easily with people, generating collaborative actions in a framework of respect and trust.

Since 1991, she has held management positions, such as: Solid Waste Business Manager, Sustainable Development Manager, Deputy Director of Sustainable Development, Power Transmission and Distribution Planning Area Manager and Energy Distribution Finance Area Manager.

She has had the opportunity to participate in matters, such as the internal transformation process carried out in 1998, specifically in the commercial structure. She also led the Change and Culture front of the EPM Group Without Borders program in 2013, was structuring leader of the Illuminated Antioquia project in 2008, and was member of the initial team that structured and formed the EPM Code and Ethics Committee and, later, the EPM Group Code of Ethics.
