

## Relevant Information

Medellín, January 29th, 2019

### EPM informs:

On January 28, 2019, the National Authority of Environmental Licenses - ANLA -, notified the start of an environmental sanctioning procedure against the company Hydroelectric Ituango S.A. E.S.P., for the alleged affectation of the ecological flow of the Cauca River, downstream of the Ituango project.

EPM, on behalf of the company Hidroituango S.A. E.S.P., is analyzing and will respond promptly to the environmental authority.
