

Relevant Information

Medellin, February 11th, 2019

With respect to the information disclosed by some media, EPM is allowed to inform that to date its administrators have not been notified of the opening of a disciplinary investigation by the Attorney General's Office, on the occasion of the environmental impact caused to the Cauca river, as a result of the closure of gate No. 1 of the Ituango project.

At the appropriate opportunity, EPM will inform the market in accordance with current regulations on relevant information.
