

Relevant Information

Medellin, February 14, 2019

EPM informs with respect to the information published in recent days by some media, about the announcement of the Attorney General's Office, in the sense of raising a request to the Superintendence of Companies to investigate alleged irregularities in the development of the corporate purpose of EPM, as well as the alleged omission in the disclosure of information, within the framework of the development of the Ituango project, which:

1. To date, EPM has not been officially notified by the Attorney General's Office of the aforementioned request.
2. Throughout the Ituango project contingency, EPM has provided complete, timely and accurate information to the State agencies, and has responded to the official requests it has received.
3. EPM has disseminated information to stakeholders, directly, as well as through the issuance of press releases, newsletters, interviews and press-conferences with the media.
4. EPM reiterates its willingness to collaborate with the authorities and will respond promptly to requests that are officially notified to it.
