Medellin, February 22th, 2019

EPM clarifies with respect to information disclosed by some mass media, which, in effect, by Order 4940 of October 31, 2017, uttered by the National Authority of Environmental Licenses - ANLA -, was formulated a Statement of objections to the company Hidroituango S.A. E.S.P. for the obstruction of the channel of the riverbed "Quebrada Tenche", within the framework of the development of the Ituango project.

For its part, the company filed disclaimers on November 22, 2017, which were filed with No. 2017101438-1-000.

To date, the administrative act deciding this sanctioning procedure has not been notified.
