Medellin, February 25th, 2019

Empresas Públicas de Medellín reports that on March 27, 2019, will pay in its entirety the international 10-year bond issued in 2009 (See Annex) using the option described in the prospectus of such issue (optional redemption with “Make Whole”). This obligation has a nominal balance of USD 500 million.

The announcement was made to the international financial market through Bank of New York Mellon, as Trustee, Securities Registrar and Payment Agent, and Bank of New York Mellon Luxembourg S.A., as Luxembourg Payments Agent, Luxembourg Transfer Agent and Luxembourg Quoting Agent.

That bond issuance, in dollars, was made in July 2009 under Rule 144 A/Regulation S of the United States of America Securities Act.

This payment is in line with the debt maturity profile anticipated in the 2019 term.
