EPM, under the BOOMT contract, will pay on behalf HIDROITUANGO S.A. E.S.P., the fine imposed by the ANLA through Resolution 01444 of September 4, 2018, equivalent to \$2,419,681,474. However, and considering that this fine is based on events that occurred prior to the date of the BOOMT contract that are the exclusive responsibility of HIDROITUANGO, EPM will take this payment as a higher value of the project for purposes of calculating the remuneration.
