

Relevant Information

After the completion of the fiscal responsibility process decreed by the Comptroller General, EPM reports that the National Environmental Licensing Authority (ANLA), by means of Writ No. 04577 of June 17, 2022, notified on July 1 of that year, resolved to formulate a list of charges in environmental sanctioning proceeding SAN0140-00-2017, in accordance with article 18 of Law 1333 of 2009 for alleged failure to comply with the provisions to develop the 230kV Mid-Magdalena project, observed in the environmental follow-up and control performed in compliance with the obligations of the project, whose Environmental License is in permit file LAV0026-14.

The necessary administrative actions will be filed in light of the mentioned writ.
