

Medellin, February 10, 2015

## **Jorge Andrés Tabares Ángel has been appointed Executive Vice President of Corporate Finance and Investment Management of EPM Group**

In special meeting held this Tuesday February 10, EPM's Board of Directors approved appointment of engineer Jorge Andrés Tabares Ángel as new Executive Vice President of Corporate Finance and Investment Management of EPM Group.

Mr. Tabares Ángel will lead the financial management, integrated risk management and integrated investment portfolio management of EPM Group to guarantee availability and optimization of financial resources, adequate treatment of risks and return of investments.

Upon his appointment, Mr. Tabares Ángel thanked the Group's management team for the opportunity to be part of one of the major corporate conglomerates in the American continent and stated that he will devote all his energies and professional experience to achieve the corporate goals that permit go on creating opportunities for communities and innovating at the service of people.

The new executive is a civil engineer of Escuela de Ingeniería de Antioquia, he has a Specialization in Finances of Universidad EAFIT and a Master of Science in Management of Stanford University in the USA with Fullbright and Colfuturo scholarships.

He brings to EPM Group wide and successful experience in corporate finance and investment banking in companies such as BTG Pactual where he acted as Vice President of Investment Banking; BP America in the United States, where for more than 10 years he occupied leading positions; and Corfinsura, where he held the positions of Project Director - Investment Banking and Treasury Director.

Additionally, he has lectured on Investment Banking and Financial Strategy in the Finance Graduate Programs at EAFIT and La Sabana universities, and has taught other in-house courses on Investment Banking and Capital Markets to teams of several companies.
