

Medellin, December 13, 2023

EPM's Board of Directors approved the capitalization of subsidiary CaribeMar de la Costa SAS ESP - Afinia - for up to COP 250,000 million.

The above, in line with the commitment assumed since the arrival of EPM, in October 2020, to contribute to the development and quality of life of the inhabitants of the Atlantic Coast (Departments of Bolívar, Cesar, Córdoba, Sucre and 11 municipalities of Magdalena), in total 134 municipalities, 1.7 million users, through the provision of an electric energy service that has the best continuity indicators, quality and coverage.

These resources will be received by the subsidiary CaribeMar de la Costa SAS ESP - Afinia - with the aim of allowing continuity to the business plan of this company.
