EPM informs that Hidroeléctrica Ituango S.A. E.S.P. submitted to EPM a communication seeking the application of a penalty clause for an amount of twenty-seven thousand one hundred and thirty-eight million seven hundred and nineteen thousand six hundred pesos (\$27,138,719,600), for the alleged breach of some of the BOOMT contract obligations.

In this regard, EPM is analyzing the above-mentioned communication and will respond in due course, since the procedures provided for in the contract to define the viability of the application of the aforementioned clause have not been exhausted.

Moreover, EPM reaffirms its willingness to comply with all the obligations listed in the BOOMT contract, within dialogue and negotiation scenarios, pursuant to all procedures and other clauses stated in the same agreement.
