

Relevant Information

Medellín, April 17, 2020

EPM hereby informs, in its capacity as the agent of Hidroeléctrica Ituango S.A. E.S.P., that the National Environmental Licensing Authority (ANLA, for the Spanish original), by means of Order No. 02423 of March 30, 2020, notified on April 17 of the current year, commenced an environmental penalty procedure against Hidroeléctrica Ituango S.A. E.S.P. in order to clarify the circumstances that gave rise to events presumably constituting an environmental violation on the occasion of the follow-up performed due to the contingency occurred in the Ituango Hydroelectric Project.

The Company will make an announcement in response to said Order within the terms provided for by law.

estamos ahí.
