Medellin, January 09, 2020

EPM would like to inform, in its capacity as agent of Hidroituango S.A. E.S.P., that the Autoridad Nacional de Licencias Ambientales -ANLA-, by means of Resolution No. 02584 dated December 30, 2019, notified on January 09, 2020, declares the Company HIDROELÉCTRICA ITUANGO S.A. E.S.P. responsible for the single charge formulated by Document No. 09269 dated December 31, 2018, and imposed a fine of FIVE THOUSAND FIVE HUNDRED NINE MILLION SEVEN HUNDRED THOUSAND EIGHT HUNDRED SEVENTY-ONE PESOS LEGAL TENDER (\$5,509,700,871), for having initiated the activities related to the construction of the Auxiliary System of Diversion (SAD) and its associated infrastructure, within the project “Construction, filling and operation of the hydroelectric project Pescadero – Ituango”, without having processed and previously obtained the modification of the Environmental License.

In view of this Resolution, measures will be taken as per the necessary administrative resources and legal actions.
