

EPM Informs the Public

- With respect to the situation of UNE EPM Telecomunicaciones S.A., it is urgent for EPM to search for alternatives to ensure the feasibility of Tigo-UNE, guaranteeing its sustainability and the well-being of all its stakeholders.
- For this reason, EPM CEO Jorge Andrés Carrillo Cardoso presented the minimum terms an eventual capitalization of Tigo-UNE should meet in a letter sent to Mauricio Ramos, CEO of Millicom, on Tuesday, October 3.
- This evening, EPM received a positive response from Millicom expressing their interest in moving forward with the procedure the situation deserves.
- This Wednesday, October 4, there will be a new meeting between EPM and Millicom to agree upon the terms and continue working harmoniously in the search for an immediate solution for Tigo-Une.
- EPM's Ordinary Meeting will also be held tomorrow to report on the progress of the agreement.

Attached to this press release is the letter from the CEO, Jorge Andrés Carillo Cardoso.
