

Relevant Information

Annex

Due to information published by some communications media, with regard to the decision to buy a stake in the Empresa de Telecomunicaciones de Bogotá (ETB), EPM (Empresas Públicas de Medellín) clarifies that the conditions of the sale of ETB, and any participation in said process by UNE EPM Telecomunicaciones S.A., a company in which it is a shareholder, will be reviewed.

The decision regarding participation in this process will depend on how favorable it is based on evidence from studies and analysis which have not yet been performed, and it will be for the shareholders of UNE EOM Telecomunicaciones S.A. to make their decision when appropriate.

To date, the Board of Directors of EPM has not examined any potential acquisition of ETB.
