EPM refers to the relevant information published on October 26, 2017, in the sense that, if Project Agreement No. 106 of 2017 is approved by the Council of Medellin, through which the Mayor of the city is authorized to attend the dissolution and subsequent liquidation of the company PARQUES DEL RÍO S.A.S., in which EPM has a 33% share. This decision, once materialized, would not have a significant impact on the financial statements of the company, since the investment made in it has been COP99 million. Consequently, the effect for EPM would not have the character of material.
