

ATTACHMENT RELEVANT INFORMATION - DISINVESTMENT JULY 31 2018

The Board of Director of EPM E.S.P., in its session held on July 31, authorized the administration to start the necessary procedures, including the procedure with the Medellín City Council, to dispose of shares that it owns directly in Interconexión Eléctrica S.A. (10.17%) and some Non-Material Minor Shareholding, in Colombia.

Furthermore, the administration was authorized to acquire some of the Group's subsidiaries' non-material property minor shareholding and once these are acquired, begin the necessary disposal procedures, including the procedure with the Medellín City Council, for cases where it is required in accordance with Decree 226 of 1995.

Moreover, it also approved the disposal of the indirect shareholdings in Chilean companies Aguas de Antofagasta S.A. (100%) through its subsidiaries EPM Chile S.A. e Inversiones y Asesorías South Water Services SpA., and in Parque Eólico Los Cururos Ltda (100%), shareholding held through its subsidiaries, EPM Chile S.A. and EPM Inversiones S.A.
