

## Relevant Information

Medellín, July 7, 2020

EPM reports, in its capacity as agent of the company HIDROELÉCTRICA ITUANGO S.A. E.S.P., that the National Authority for Environmental Licenses - ANLA, through Resolution No. 01163 of July 06, 2020, resolved the appeal for reversal filed against Resolution No. 1196 of July 25, June 2019, confirming the sanction in the form of a fine imposed on Sociedad Hidroituango S.A. E.S.P. in the amount of ONE THOUSAND SEVEN HUNDRED EIGHTEEN MILLION NINETY FIVE THOUSAND ONE HUNDRED EIGHTEEN PESOS M / CTE (\$ 1,718,095,118), when declaring it responsible for the statement of charges formulated by means of Order No. 4692 of October 18, 2017, on the occasion of the execution of the Ituango Hydroelectric Project, as a result of the following events:

1. Having carried out the construction and operation of a tunnel located between K0 + 390 and K0 + 542 of the substitution road left margin (Dam site - Ituango), without having the respective authorization or having previously obtained the modification of the Environmental License.
2. Having disposed of excess excavation material on the right bank of the road leading to the municipality of San Andrés de Cuerquia to the township of El Valle, in the places located in the coordinates N 06 ° 59'30.2 "W 75 ° 38'38.3" (K12 + 740); N 07 ° '00'15.2 "W 75 ° 38'40.9" (K14 + 400) and N 07 ° 00'19.4 "W 75 ° 38'47.2" (K14 + 700), without having the respective authorization or having previously obtained the modification of the License Environmental.

The previous decision will be analyzed to define the legal actions that may take place.
