

## Relevant Information

Medellín, August 11, 2020

Yesterday, **EMPRESAS PÚBLICAS DE MEDELLÍN (EPM)** submitted a request for preliminary settlement with the Office of the Attorney General 32 Administrative Judicial Division II of Medellín, filed under No. 7151, against **MAPFRE SEGUROS GENERALES DE COLOMBIA S.A.** This request is based on the occurrence of a loss in All Risk Construction Policy No. 2901211000362 issued by said insurance company, when on April 28, 2018 the Auxiliary Diversion Gallery (GAD) of the Ituango Hydroelectric Project collapsed, causing damages to EPM that have been estimated, to date, in an amount close to ten billion Colombian pesos.

Considering the policy coverage, protection and limits, the claims of the request for settlement amount to five billion three hundred eighty-three thousand eighty-nine million two hundred fifty-nine thousand three hundred seventy-six Colombian pesos (COP 5,383,089,259,376.00).
