

## Relevant Information

Medellín, October 9 de 2020

EPM reports, through the relevant information mechanism, that the National Environmental Licensing Authority -ANLA-, through Resolution N ° 01589 of September 28, 2020, notified on October 7 of the current year, resolved an appeal of reinstatement filed against Resolution 1854 of 2019, in an environmental sanctioning procedure against the Hidroituango SA Society E.S.P., as the holder of the Environmental License granted by Resolution 155 of 2009.

EPM is analyzing the previous decision, and will proceed to file actions that they deem pertinent.
