Relevant Information

In virtue of the decision communicated to the market this past April 2, 2014 and keeping in mind the power bestowed by the EPM Board of Directors to the general manager to proceed with the necessary steps with the Medellín City Council which will permit the disposition of its totality of the shareholder participation that EPM possess in ISAGEN; and in compliance with the requirements of Law 226 of 1995; the General Manager began the process before the City Council, which is why the Accord 240 of 2014 project was given foundation, a first discussion on this was held this past Friday, and the debates and requirements will continue according to the defined schedule. It should be noted that the agreement project presented to the Medellín City Council remained conditionally on the authorization of the case that EPM will not be a purchaser in the auction that the National Government is developing with respect to the Decree 1609 of 2013.
