EPM reports that, acting as agent of the company HIDROITUANGO S.A. E.S.P., the National Environmental Licensing Authority (ANLA, for the Spanish original) launched an environmental sanctioning procedure, pursuant to Article 18 of Law 1333 of 2009, against the company HIDROITUANGO in its capacity as owner of the project "Construction and Operation of the Pescadero - Ituango Hydroelectric Project" for allegedly committing an environmental violation and as a consequence of the follow-up and environmental control carried out by the entity on the obligations derived from the Environmental License granted in Resolution No. 0155 of January 30, 2009 and its modifications, as shown in the permitting file LAM2233. This procedure was initiated by means of Writ No. 005864 of July 26, 2024, notified on August 6 of the same year.

In view of the above, the appropriate administrative actions shall be filed, especially those deemed necessary to duly defend the Company.
