EPM E.S.P., acting as the representative of HIDROITUANGO S.A. E.S.P., informs that the Ministry of Environment and Sustainable Development, through Resolution 1484 of November 8, 2024, electronically notified on the 14th of the same month, resolved the reconsideration request filed against Resolution No. 1015 of October 2, 2023, confirming the first article of Resolution 1015 of 2023, which declared the company HIDROITUANGO environmentally liable for the single charge formulated in Order 498 of 2017, for the intervention of 100 hectares containing forest species subject to a national ban without prior lifting of the ban, and partially reconsidered the second article of Resolution 1015 of 2023, adjusting the imposed fine to SIX HUNDRED THREE MILLION FIVE HUNDRED FORTY-NINE THOUSAND EIGHT HUNDRED FORTY-NINE PESOS legal tender. (\$603,549,849), equivalent to FOURTEEN THOUSAND TWO HUNDRED THIRTY POINT SIXTY-FOUR UVT (14,230.64 UVT).

Given that no further administrative appeals can be filed against Resolution 1484 of November 8, 2024, the necessary judicial actions will be taken to adequately defend the Company.
