Medellín, January 8, 2025

EPM, acting in its capacity as agent of the company HIDROITUANGO S.A. E.S.P., wishes to inform that the National Environmental Licensing Authority (ANLA), by means of Order No 011715 of December 27, 2024, notified on January 8, 2025, ordered the initiation of an environmental sanctioning procedure against the company HIDROITUANGO S.A. E.S.P. in accordance with the provisions of Law 1333 of 2009, modified and added by Law 2387 of 2024, for the alleged failure to comply with the obligations of the environmental license of the "Pescadero – Ituango Hydroelectric Project", evidenced during the monitoring carried out on it.

Administrative actions shall be brought before the aforementioned order, especially those deemed necessary for the due defence of the Company.
