

RELEVANT INFORMATION

EPM reports as relevant information that on June 24, 2025, the response to the arbitration claim filed by the company Hidroeléctrica Ituango S.A. E.S.P – hereinafter Hidroituango – was filed with the Center for Conciliation, Arbitration and Amicable Composition of the Chamber of Commerce of Medellín.

The lawsuit seeks, among other claims, to declare EPM's failure to comply with the BOOMT Contract on the date initially scheduled, and to order it to pay basically the remuneration and the penalty clauses of constraint estimated at the sum of COP 2,492,307,510,639.

EPM, in addition to answering the claim, filed a counterclaim.
