

## Relevant Information

Medellín, March 3, 2025

EPM hereby informs that, acting as the representative of HIDROITUANGO S.A. E.S.P., the National Authority of Environmental Licenses (ANLA), through Order No. 000909 of February 20, 2025, notified on March 3 of the same year, in accordance with Article 18 of Law 1333 of 2009, as amended and supplemented by Law 2387 of 2024, has ordered the initiation of environmental sanctioning proceedings against HIDROITUANGO S.A. E.S.P. in its capacity as the holder of the “Construction and Operation of the Pescadero – Ituango Hydroelectric Project,” due to the alleged commission of an environmental violation resulting from the purported non-compliance with the obligations established under the Environmental License contained in permissive file LAM2233.

In response to the aforementioned order, the necessary administrative actions will be taken, particularly those deemed essential for the proper defense of the Company.
