EPM Clarification Regarding News Published by Portafolio

2026-06-09

Regarding the information published by a media outlet, EPM clarifies that, to date, it has not signed any agreement with the National Electric Energy Company of Honduras (ENEE) for the latter to operate the Atenea market, which comprises 35 municipalities: 19 in the department of Cesar, 10 in the department of Bolívar, and 6 in the department of Magdalena.

CaribeMar de la Costa S.A.S. E.S.P. is moving forward with activities aimed at the spin-off of the Atenea market, in accordance with the material information reported on January 9, 2026, to the Superintendency of Finance.

The sustainability of the Caribbean territory is a priority for the EPM Group. In this regard, the company constantly seeks alternatives to implement differentiated strategies tailored to market needs, with the ultimate goal of providing an efficient and high-quality service.
